Lb INTRODUCTION The Elements of Biologics This elementary treatise on biologics appeared originally in manuscript form and was designed primarily for the instruction and exclusive use of Lilly representatives, to enable them to handle the biologic line intelligently. It was prepared with a three-fold object in view, i. e. , to serve as a review of lectures on biology and bacteriology given in the Lilly Sales Schools, to aid representatives in the use of other literature on Lilly Biologics, and to provide a reliable source of information on the elements of Biologic Therapy. It is very important that the representative should be able to discuss intelligently the theories underlying the manufacture and use of all the biologic products, to answer questions asked by physicians and others, and to have a genuine confidence in himself when talking biologics that will make a good impression on his customers. It is hoped that this little treatise may give enough of the fundamentals to make all these things possible. The question and answer form seemed best to meet the varying requirements, and so it is issued as a catechism. A number of teachers and students of pharmacy, having seen it, expressed a desire for copies, which led us to issue it as a pamphlet. In this form it is hoped that it will be useful to pharmacists and their clerks, as well as to Lilly representatives. ELI LILLY AND COMPANY STORE BIOLOGICS IN...
