Survival Guide: Bushcraft For Beginners: Be Prepared To Everything What Awaits You In The Wilderness There are so many things that you can do when you are in the great outdoors. Fishing, hiking, climbing, camping. the possibilities are endless. All of the fun and exciting things there are to do out there make the idea of spending time out in the woods sound like more fun than you know what to do with. But there is always the wild side of things as well. It is the wilderness, after all, and that means that there are things that can go wrong. Not to say that you will get lost, or that something will happen that will make it necessary for you to need survival skills, but you never know. Then again, there are those times when you want to go out in the woods and get lost. Embrace a wilder side of life, and try your hand out in the woods. Surviving for the fun of it is a wonderful way to sharpen your skills and embrace everything this world has to offer. No matter what your reason is for being out in the woods, when you are out there, you need to know what you are doing if you want to make it back home again safely. That is where this book comes in. Teaching you everything you need to know to survive out in the wilderness, no matter what Mother Nature throws your way. Whether you are a first time explorer, or a seasoned bushcrafter, you are going to find insight in this book. This book covers it all, including: Building a fire Purifying water Hunting...
