

Antarctic Nutrient Cycles and Food Webs

Filesize: 8.14 MB

Reviews

The most effective pdf i ever read through. I am quite late in start reading this one, but better then never. Its been developed in an exceedingly simple way in fact it is only soon after i finished reading through this pdf by which in fact altered me, modify the way i think.

ANTARCTIC NUTRIENT CYCLES AND FOOD WEBS

DOWNLOAD

Book Condition: New. Publisher/Verlag: Springer, Berlin | It is a pleasure and a distinct honour for me to greet the participants, guests and observers of this Fourth International Symposium on Antarctic Biology which has adopted nutrient cycles and food webs as its central theme. On behalf of the Scientific Committee on Antarctic Research (SCAR) and other bodies of the International Council of Scientific Unions (ICSU), I bid you welcome. SCAR is pleased to acknowledge the role of the co-sponsors for this Symposium which include the Scientific Committee on Oceanic Research (SCOR), the International Association of Biological Oceanography (IABO), and the International Union of Biological Sciences (IUBS). In addition, SCAR and its co-sponsors wish to acknowledge the financial support of the Council for Scientific and Industrial Research (CSIR) and the Department of Transport (DOT) of the South African government. Nor should we forget to acknowledge also the role of the South African Scientific Committee on Antarctic Research (SASCAR) and one of its leaders and Vice President of SCAR, Mr. Jan de Wit, in arranging this charming venue for this Symposium. |

Introduction: Antarctic Biology, 1974-1983.- 1. Marine Nutrient Cycles.- Nutrient Cycles in Antarctic Marine Ecosystems.- Oceanic Frontal Systems and Biological Enhancement.- The Distribution of Inorganic Nitrogen, Phosphorus, Silicon, and Dissolved Organic Matter in Surface and Deep Waters of the Southern Ocean.- Trace Element Geochemistry in the Southern Ocean.- A Contribution to the Oceanology of the Prince Edward Islands.- Nutrient Upwelling and Its Effects in the Lee of Marion Island.- Marine Biological and Oceanographical Investigations in Lützow-Holm-Bay, Antarctica.- Light-Dependence of Phytoplankton Photosynthesis in the Antarctic Ocean: Implications for Regulating Productivity.- Phytoplankton Biomass near a Receding Ice-Edge in the Ross Sea.- The Influence of Light on Growth and Development of the Sea-Ice Microbial Community of McMurdo Sound.- Physiological Response...
