## CALIFORNIA WOMEN AND POLITICS: FROM THE GOLD RUSH TO THE GREAT DEPRESSION (PAPERBACK)

[DOWNLOAD](#)

University of Nebraska Press, United States, 2011. Paperback. Book Condition: New. New ed.. 226 x 152 mm. Language: English . Brand New Book. In 1911 as progressivism moved toward its zenith, the state of California granted women the right to vote. However, women s political involvement in California s public life did not begin with suffrage, nor did it end there. Across the state, women had been deeply involved in politics long before suffrage, and-although their tactics and objectives changed-they remained deeply involved thereafter. California Women and Politics examines the wide array of women s public activism from the 1850s to 1929-including the temperance movement, moral reform, conservation, trade unionism, settlement work, philanthropy, wartime volunteerism, and more-and reveals unexpected contours to women s politics in California. The contributors consider not only white middle-class women s organizing but also the politics of working-class women and women of color, emphasizing that there was not one monolithic women s agenda, but rather a multiplicity of women s voices demanding recognition for a variety of causes.
