HELL BENT FOR LEATHER: CONFESSIONS OF A HEAVY METAL ADDICT (PAPERBACK)

[DOWNLOAD](#)

HarperCollins Publishers, United Kingdom, 2005. Paperback. Book Condition: New. 194 x 126 mm. Language: English . Brand New Book. A witty and self-deprecating memoir about headbanging your way through growing up. Seb Hunter was a Heavy Metal fan and he s not proud. This is the story of his misguided 15-year Heavy Metal mission: from the first guitar (his dad s), to the first gig (conquering Winchester with his riffs), on through groupies and girlfriends and too many drugs to a faltering career in London, where outrageous egos, artistic differences and the dreaded arrival of Grunge (and a much needed haircut) kill the Heavy Metal dream. Along the way Seb imparts the important distinctions between Thrash Metal and Glam and casts his connoisseur s eye over the Metal guitar. You ll learn when to play a drum solo, the correct way to wear Spandex and exactly what to do when you re in the middle of a field at the Donington Festival and you desperately need a piss. Affectionate, irreverent, and very funny, Hell Bent For Leather is a moving story about growing up, of playing air guitar in your bedroom, of living with parental disapproval and of struggling with the laughter of your friends. It is a memoir about the glorious adolescent obsessions everybody has but no-one will admit to. Featuring music from: AC/DC, Iron Maiden, Led Zeppelin, Judas Priest, Black Sabbath, Slayer, Kiss, W.A.S.P., Aerosmith The Scorpions and Guns n Roses.
