Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from English Grammar: Style, Rhetoric, and Poetry; To Which Are Added, Preparatory Logic, and Advice to the Student, on the Improvement of the Understanding By arranging the various Rules and Principles of a Language into a systematic form, permanency and precision are given to what would, otherwise, either be subject to fluctuation or involved in obscurity; the relative importance and connection of the different Rules become clearly ascertained, by which the whole can be more easily acquired and retained, and applied with facility and correctness. Nor can any one, who considers our language as derived from a great variety of sources, and, consequently, possessing many peculiarities, fail to be convinced that the shortest, as well as the safest mode of acquiring a knowledge of its structure and properties, must be the study of a system in which they are explained and illustrated. Notwithstanding the obvious propriety of these remarks, some individuals contend, that a knowledge of Latin and Greek precludes the necessity of the direct study of English Grammar. - That a correct knowledge of one language necessarily induces a correct knowledge of another, is an opinion too absurd for any intelligent man seriously to entertain. But, say these objectors, by associating with persons accustomed to speak tolerably well, by translating from one language into another, and by having themes occasionally prescribed to be written in English, the pupil will, by these means alone, acquire readiness and precision of expression. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
