paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date :2012-08-01 Pages: 346 Publisher: National Defence Industry Press title: Regular Higher Education materials science and engineering. the 12th Five-Year Plan textbooks: materials of modern analytical techniques List Price: 42.00 yuan Author: Zhu Republic Publisher: National Defense Industry Press Publication Date :2012-08-01 ISBN: 9787118080919 Words: Pages: 346 Edition: 1 Format: Folio: 16 Weight: Editor's Summary regular higher education science and engineering Twelve Five-Year Plan textbooks: materials of modern analytical technology first introduced to the basics of crystallography. then the physical basis of X-ray system. the direction and intensity of the X-ray diffraction. polycrystalline X-ray diffraction analysis. X-ray diffraction (XRD) and structure and principle in phase identification. determination of macro and micro stress and grain size. texture analysis polycrystalline application; physical basis of the electron diffraction. transmission electron microscopy. diffraction imaging. kinematics contrast The structure and principle of the theory. high-resolution transmission electron microscopy. scanning electron microscopy. electron microprobe and its application; Auger electron spectroscopy (AES). X-ray photoelectron spectroscopy (XPS). scanning tunneling electron microscope commonly used thermal analysis technique commonly used surface analysis

Reviews

Very helpful to all type of individuals. It really is rally interesting throgh looking at time. Its been designed in an extremely basic way which is just soon after i finished reading this pdf through which basically modified me, change the way i believe.

-- **Tyshawn Brekke**

The publication is easy in read through preferable to fully grasp. It is writter in simple phrases instead of hard to understand. You will not sense monotony at at any moment of your respective time (that's what catalogs are for concerning if you request me).

-- **Kevin Bergstrom Sr.**
