What is Aquaponic Gardening? Can you start an aquaponic garden at home? Can you really raise fish and grow vegetables together? When you read An Introduction to Aquaponic Gardening, you'll learn how to understand, plan, execute, and maintain a simple aquaponic garden. Aquaponic gardening is perfect for individuals who have a fish and/or Koi pond, or those thinking of building one. It is also a good read for individuals who want to produce both, fish for consumption, and vegetables for their personal needs. You can decide if this method of food production, which has many advantages and benefits over other methods, is right for you! How do you get started? What equipment do you need? Is it difficult? What if you don't have a green thumb? An Introduction to Aquaponic Gardening explains the ins and outs of getting started and walks you step by step through the process of setting up your system. It also describes what you'll need to get started. You'll also learn which growing medium to choose, how to care for your fish and plants, and practical tips to help you along the way. When you purchase this book, you'll also learn about the equipment you need to get your Aquaponic Garden Up and Running, the types of plants and fish that are suitable for this growing method in...
