They learn in fits and starts. What works for one may not work for another. For some it's a matter of time, for others a matter of interest. With an eye towards formative assessment, each session ends with Assess and Plan, a section that supports daily progress monitoring with strategy-specific suggestions for reviewing student work, assessing students' thinking and accomplishment of session goals, and determining the need for additional practice. Comprehension Intervention lessons lend themselves to a variety of instructional settings: Guided reading groups-Sessions are ideal for small, flexible, needs-based guided reading groups to reinforce or extend what has been taught in a Toolkit lesson. Tier 2 RTI groups-Sessions are designed to...
