Wolf's Hook: Based on Real-Life Nazi War Crimes (Paperback)

By Dr Rodney Stephen Marshall

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.2nd edition: This book belongs, in the words of Henning Mankell, in the shadowy world where history and imagination merge . It was a sunny Saturday lunchtime in June 1944. Most of the inhabitants of a sleepy village situated in the Free Zone of war-ravaged France were sitting down to a leisurely meal. Without warning, an attachment of Das Reich soldiers (the elite force of the Nazi's Waffen-SS division) arrived. Hours later, 642 defenceless people had been massacred; their homes were smouldering ruins. From these embers emerged real, life-affirming stories of survival as individuals defied machine-guns, snipers, explosives and burning buildings to escape the clutches of the deadly wolf's hook (the Das Reich emblem). Aimed at readers of twelve years or older, Wolf's Hook is a fictionalised account of the Das Reich attack on an innocent village. It recaptures the essence of what happened that day, using four first-person narrative strands: a waiter, a young boy, an SS soldier and a grandmother. Through their eyes we see the terrifying day unravel.
