## Right Sourcing: Enabling Collaboration (Paperback)

By Dijkstra, Gotze, Van Der Ploeg

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 278 x 208 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Right Sourcing - Enabling Collaboration puts forward the proposal that the modern enterprise must fundamentally rethink its sourcing equation to become or remain viable. By presenting perspectives on sourcing from 21 different contributors, the editors hope to enable and inspire readers to make better-informed decisions. Sourcing is a business theme which gets more and more attention. But making the right decisions is not easy. Sourcing is a wicked problem. This book provides valuable insights and concepts that will help to improve decisions with regard to sourcing. I would recommend this book to anyone who wants to achieve right sourcing. Martin van den Berg Enterprise Architect, Co-Founder of DYA and author of several books, including Dynamic Enterprise Architecture: How to Make It Work. Sourcing is becoming an increasingly complex task - one that requires fundamental changes in management thinking, radical new ways in which to communicate and deal with knowledge, and a totally new and different view of all the stakeholders. In this book leading thinkers in this space, do a great job in opening up the reader s...
