iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Florida State Attorney General, Angela Arquielara has sent three-hundred minority gang members to death row for execution, while seeking fame, fortune, and notoriety within her corrupted system of justice of Palm Beach County. Her devious plan has worked to perfection, wherein her lust for power and prestige is tantamount beyond any code of judicial conduct or responsibility. Angela truly believes she will reach the pinnacle of success, and no one will interfere with her reaching her nirvana at any, and all costs. A deranged, yet cunning and highly intelligent serial killer narrates the storyline, as he stalks Angela, along with her staff, and many corrupt judges and politicians within Angela s control. He knows all of Angela s secrets since her attainment of power within the law enforcement and judicial system. He seeks justice for all minorities, who have been falsely charged, convicted, imprisoned, and executed by her secret membership team. A profoundly sophisticated and brilliant intellectual, Stephan Ramirez leads his gang membership hierarchy in transforming its mission in a crusade for minority justice, through the assimilation within the corporate, political, and judicial system. A modern day minority Islamic Jihad is at hand, perpetrated against Angela and her corrupt cohorts with a ferocious perniciousness.
