Fitzhenry & Whiteside. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 8.5in. x 0.9in. x 0.2in. This Dene-English story book was produced by the students and teachers of Ducharme Elementary School in La Loche, Saskatchewan, with assistance from local advisors and elders. Together, they wrote the story, translated it, and worked on the pictures. Their goal was to highlight some aspects of Dene culture that were vital in the past and are still important today. They wanted to show the continuity of a genuine and successful way of life, and emphasize culturally-significant events and attitudes. To produce the book, over 400 hundred students provided ideas for the story line and art samples for the illustrations. Two hundred letters went out to the community families, asking for ideas and information with regard to story content. A dozen elders were consulted to provide accurate and culturally-correct information. A teacher committee of six worked on the project for two years. Byron Through the Seasons is a story told by Grandfather Jonas and imagined by his grandson, Byron. The balloon diagram in each picture represents the symbolic journey taken by Byron as he listens to stories of what Dene life is like during the four seasons of the year. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
