After a devastating tour in Afghanistan, all Spencer Lang wants is for life to return to normal. But when he rides into his hometown on his Harley, he learns that his friends and family have tried to move past their heartbreak since he was reported killed-in-action--and the woman he loved is about to marry his best friend. Now, all he can do is pick up the pieces of his life. Years ago Melanie Wolfe left town, with no intention of ever coming back. But when her father dies, she reluctantly returns home to salvage the family business. Reuniting with Spencer, her high school crush, complicates the already thorny situation, especially when she begins losing her heart to him all over again. As Spencer and Melanie work to restore order to her family's company, two damaged hearts face an unexpected new future that is filled with possibilities and love.
