There are others who may remember it because it marked the first appearance in the place of the second poet of Saffron Park. For a long time the red-haired revolutionary had reigned without a rival; it was upon the night of the sunset that his solitude suddenly ended. The new poet, who introduced himself by the name of Gabriel Syme was a very mild-looking mortal, with a fair, pointed beard and faint, yellow hair. But an impression grew that he was less meek than he looked. He signalled his entrance by differing with the established poet, Gregory, upon the whole nature of poetry. He said that he (Syme) was poet of law, a poet of order; nay, he said he was a poet of respectability. So all the Saffron Parkers looked at him as if he had that moment fallen out of that impossible sky.

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
