*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

This division does not merge with other regional trade and political networks in Sub-Saharan Africa and does not include all ACP countries. With 'good governance' having emerged as a 'vital' issue in international politics and especially in EU's agenda, a relevant number of non-economic issues found their way into Cotonou agreement.
