ELECTRICITY TRANSMISSION PRICING AND TECHNOLOGY

Springer. Hardcover. Book Condition: New. Hardcover. 282 pages. Dimensions: 9.7in. x 6.2in. x 0.9in. The electric utility industry and its stakeholders in the United States appear to be at a critical juncture in time. Powerful forces of global proportions are propelling the industry instinctively and in a secular fashion towards restructuring. That the industry will change is a fait accompli. The nature and timing of the change is still a matter of intense debate, however. Because of the evolution of the...

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- **Lillie Toy**

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
